Land Uses	WQ Impacts/Threats	Pollutants of Concern
<input type="checkbox"/> Urban	<input type="checkbox"/> Erosion/sedimentation	<input type="checkbox"/> Sediment
<input type="checkbox"/> Residential	<input type="checkbox"/> Channelization	<input type="checkbox"/> Nutrients
<input type="checkbox"/> Commercial	<input type="checkbox"/> Habitat loss/destruction	<input type="checkbox"/> Pesticides/Fertilizers
<input type="checkbox"/> Industrial	<input type="checkbox"/> Natural drainage system alteration	<input type="checkbox"/> Bacteria/Pathogens
<input type="checkbox"/> Open Space	<input type="checkbox"/> Stream degradation	<input type="checkbox"/> Heavy Metals
<input type="checkbox"/> Rural	<input type="checkbox"/> Impervious surface buildout	<input type="checkbox"/> Hydrocarbons (Oil and Grease)
<input type="checkbox"/> Agriculture	<input type="checkbox"/> Agriculture/confined animal facilities	<input type="checkbox"/> Trash and debris
<input type="checkbox"/> Forestry	<input type="checkbox"/> Water quantity (flooding, groundwater recharge)	<input type="checkbox"/> Organic matter
<input type="checkbox"/> Hydromodification	<input type="checkbox"/> Dry weather runoff	<input type="checkbox"/> Other _____
<input type="checkbox"/> Marinas/Recreational Boating	<input type="checkbox"/> Other _____	
<input type="checkbox"/> Wetlands, Riparian Areas and Vegetated Treatment Systems		
<input type="checkbox"/> Other _____		

Please explain any of the above in more detail:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

6. What organizations are you aware of that are working to protect water quality in the CCA listed above?  
Who should we contact in those organizations about the CCA program?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

*“State of the CCA Survey” (Cont.)*

7. Please list the projects/programs that you know are occurring or planned in the above listed CCA:

Project/Program	Contact Info*	Funding	Timeline

\*Name, organization, phone number, email

Please explain any of the above in more detail:

---

---

---

---

8. Are there any hurdles that you know of that are keeping these projects/activities from being successful?

---

---

---

9. What water quality problems do you feel are not being addressed adequately and how could these be rectified? What help do you feel is needed from state agencies?

---

---

---

10. What action do you think would best protect or restore water quality for the above listed CCA?

---

---

---
